PROFILE

I have had a deep interest in education and technology for the majority of my life. I enjoy learning how people and devices work, how they work together, and how they can be used to improve life. I am extremely proficient in my native tongue, and posses the ability and knowledge to write technically.

EXPERIENCE

COMPUTER TECHNICIAN, PERFORMANCE COMPUTER GROUP — 2014-PRESENT

I am employed as a computer technician in the shop of PCG Brandon, a local computer repair store. I have been given the opportunity to grow my skills as a computer repair technician, repairing as well as diagnosing hardware and software issues. I have also been given the change to manage portions of the business for short periods of time.
• Customer support and service
• Managing portions of a small business

SUBSTITUTE TEACHER, HILLSBOROUGH COUNTY PUBLIC SCHOOLS — 2012-2014

I was employed as a substitute high school teacher in the Hillsborough County Public Schools, the eighth-largest school district in the United States, where I worked since the second half of the 2011-2012 academic year. I was given full responsibility of several long-term assignments, primarily in Social Studies, allowing me to become a full-time teacher for classes for an extended period of time.
• Experience integrating into large organizations with varying levels of support
• Quick acclimation to new systems, methods, and organizational structures
• Developed ability to rapidly analyze, plan, and implement situations and solutions with minimal direction

CHAIRMAN, SENATE COMMITTEE ON UNIVERSITY AFFAIRS; TAMPA, FLORIDA — 2010-2011

After election as Chairman on the Committee on University Affairs, I was given the responsibility to shape a new committee, as well as utilize my knowledge of cloud systems to help the Student Government effectively represent the 40,000 students of the Tampa campus.
• Created online survey system utilizing tablets and cloud services
• Oversaw several-fold increase in amount of feedback from student body

SENATOR, COLLEGE OF ENGINEERING; TAMPA, FLORIDA — 2009-2012

I was elected to serve as a member of the Student Government Senate at the University of South Florida for three consecutive terms.
• Learned to work within large organizations and changing groups of people each year
• Elected Chairman of Senate Committee on University Affairs
• Elected Vice-Chairman of Senate Committee on Appropriations as well as Government Affairs

PRESIDENT, APPLE USER GROUP AT THE UNIVERSITY OF SOUTH FLORIDA — 2008-2009

In 2008, I founded the Apple User Group at USF and became its first President. As President, I promoted a general sense of solidarity between the members of the group and help plan many of the events we held. I was also responsible for many of the logistics behind setting up events and meetings, and involved in the delegation of other tasks such as advertising and membership building.

SKILLS

• Languages: HTML 5, XHTML, JavaScript, C, C++
• Applications: Visual Studio, Xcode, Microsoft Office, iWork, iLife, Open Office, After Effects
• Operating Systems: Mac OS X, Classic Mac OS, Windows 95, 98, NT, 2000, XP, Vista, 7, 8, Ubuntu, Fedora, NeXTStep
